Cablik speaks at Modern Atlanta Home Tour Talks

Considering a new modern home, but aren't sure where to start?
Come out this Saturday to the Modern Atlanta Home Tour Talk!

Where: Room & Board (1170 Howell Mill Road, Atlanta)

When: Saturday, March 9th, 12 PM—1 PM

Speaker: **Alan Cablik**, President of Cablik Enterprises

Featured Project: **The Argonne Residence:** A comprehensive approach to building a new modern home.
This home is featured on the MA13 Tour of Homes.

Learn how Cablik helped this client by:

- Finding a prime lot amid the current scarcity of available lots
- Identifying an experienced and flexible team very early in the process, including architect, engineer, and key subcontractors
- Maintaining the client's budget
- Advising on functional aspects of the home's design in order to maximize the home's constructional functionality and durability, while enabling the architectural design to be fully expressed

Register [here](#) for FREE tickets.

Cablik's Greenpine Residence featured on the cover of Trends Magazine

Cablik's "Greenpine Residence" received the cover photo and a 10-page editorial spread in the Spring 2013 edition of Trends Magazine. Click to view the full [publication](#), showing many more photos of this amazing home.

Be sure to pick up a copy while they are still on the newsstands!

New Modern Home Projects!

Wellbourne Residence: This 4 bedroom / 3 bath modern home in the Morningside / Lenox Park area of Atlanta is designed by TaC Studios; it features an open kitchen / dining / living area, plus an office.

Olympic Place Residence. This 4 bedroom / 3 bath modern home is located in Decatur. Designed by Lightroom Studio, it features an open kitchen and living area, plus a library, entertainment room, rooftop terrace, and separate studio apartment.

Little John Residence. This 4 bedroom / 3.5 bath modern home is located in Ansley Park. Designed by plexus r+d, the home will feature a chef's kitchen, home office, theater, gym and a 2 car garage.

We are excited to get started!
